

PERFORMANCE MODULES

SUN DIESEL

The winners and finalists of the recent Australia's best car awards for 2008 shows the increasing popularity of new diesel passenger vehicles [RACV Royal Auto – Jan 2009]. Sun Diesel has a large range of Tuning Box performance modules to suit all these vehicles and many more popular diesel cars, 4WD's and commercial vehicles.

With greater power, torque, drivability and the added benefit of reduced fuel consumption, Sun Diesels's Tuning Box performance modules can greatly improve your driving enjoyment.
